Dear IM Friends,

I'm conducting my 2nd Joomla! 101 Intensive on the 19th Sep 09(Sat) - 9:00am to 5:30pm. Just checking to make sure no one missed out last time. There's also a referral bonus for people you refer if you are interested (See below).

### **You will learn the following during the 1-day Joomla! 101 Intensive:**

1. How to build a website that is worth at least **\$1,000+** on the market
2. **How to create your business website from scratch without any programming knowledge**
3. How to create a Joomla! website that is Search Engine Optimized (SEO) using Joomla
4. **Discover the right plugins to enhance your Joomla! website**
5. How to collect useful data from your visitors to provide better services for them in the future. So, they will want to come back to you again and again!
6. **Learn how to replicate a Joomla website in 5-10mins so can skip all the installation and configurations**
7. Have a working website ready to go!! (See our demo site of what your web will look like at the end- [Demo Site](#) )
8. **Learn at least one way on how you can make \$\$\$ after acquiring this skill!!**

Kindly Please see the link below for more information:
