GOOD NEWS: I've just got word that the folks over at SpeedPPC are just about to launch their End of Financial Year Sale, including a bonus that's being offered for the very first time!

To celebrate the end of Australia's financial year, they're slashing 40% off the regular price of SpeedPPC Affiliate Pro. That means you'll save almost \$200 off SpeedPPC's top package.

If you're serious about PPC marketing, then SpeedPPC is a must-have tool that'll help you:

- Increase your profits with high quality, powerful PPC campaigns
- Stop losing budget on wasted ad spend on poorly targeted campaigns
- Save months of time setting up and fixing your campaigns
- Achieve better click through rates on your PPC ads
- Boost conversions with super-targeted landing pages
- Reduce your minimum bid costs with better quality score
- Track profitable keywords with unique URLs per keyword

With competition as tough as it is, you need to revolutionize your pay per click marketing and SpeedPPC is a ground-breaking, patent-pending software package that uses search engine best practices to create powerful PPC campaigns in a matter of minutes.

Get the huge 40% discount now at:
